# Route 1 - Stage 2 from St Nicholas' Church Arundel to Amberley Station

Take care on return across road bridge to Amberley Station

Continue on a steeply upwards path signposted. You will be able to see Amberley in the distance from the top. The footpath drops down to the right and upon reaching a gated entrance to Arundel park go left and follow the riverbank.

Route 1 at the signpost continue straight ahead to where you climb a short hill straight in front of you.

Follow the footpath with wooded area to the left heading for the signpost where Route 1 and Routes 2 divide

The footpath drops down through trees. Take care on uneven path.

Follow the footpath passing estate buildings and keep going straight ahead towards the Tower. Before the Tower turn sharp right.

Leaving St Nicholas' Church turn right and continue up the road passing primary school on LHS. The entrance into Arundel Park is signed on the right.

## Route 1 - The return leg to Amberley Station

Route 1 and Route 2 divide here

From this point return back to your starting point

Route 2 Start Gates to Swanbourne Lake

## Route 2 - Shorter Walk 2.6 miles circular walk from Entrance Gates to Swanbourne Lake

Route 2 Offers a shorter route suitable for Families. Parking either road side along Mill Street or in a town car park. If travelling by train you can join the route as you enter into central Arundel.

After St Nicholas' Church Refreshment stop follow the main route till the signpost within Arundel Park where the two routes divide. As the main route goes straight off ahead, turn right and follow the footpath in alongside Swanbourne Lake. There are lots of opportunities for feeding ducks on this route.
